

**Product Description:**

Fixed Practice Basketball Goal

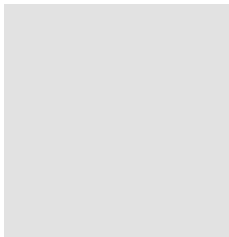

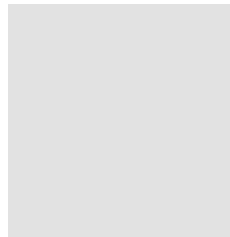

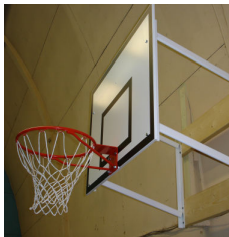

**Product Code:**

BAS-PF-8

Timber backboard measuring 1200 x 900mm.. Flat fixed or projecting 800mm with standard ring and nets.

The top right image shows how the brackets can also be fitted 'upside down'. This is particularly useful where flexibility is required with regards to the height of the ring or there are problematic fixing points, such as above doors / windows, etc.

**Dimensions:***Backboard: 1200 x 900mm, 800mm projection***Colour:***White, black, red rings***Materials:***Steel, laminated timber***Variants / Accessories:***Other projections available, please ask.*
