

**Product Description:**

Floor Protection System (Druggets)

**Product Code:**

MIS-DRU

Canvas floor covering, stored on wheeled trolley. This system allows for the protection of games hall floor surfaces when being used for purposes such as assemblies, examinations or functions where it is desirable to protect the playing surface of the floor from desk & chair legs, outdoor footwear, etc.

Composed of materials selected for their hardwearing qualities underfoot. Supplied in easily handled sections, linked with twin needle stitched 50mm Velcro strips to minimize tripping hazard.

Note: It is strongly suggested that edges are taped to floor at door thresholds, etc, where a tripping hazard may exist.

**Dimensions:***To Suit Hall***Colour:***Natural (loom state)***Materials:**

*Hard wearing Canvas, 262ls, 330gms/sq m made from 2-fold yarns with 31.5m threads per cm/sq.*
